We love dogs here at Boston's, so please help us to continue providing a dog friendly patio by following these simple rules:

Please **DO NOT** bring your dog(s) inside the restaurant for any reason. Owners must have control of your dogs at all times. **NO AGGRESSIVE DOGS.**

Misbehaving dogs and their owners will be asked to leave.

Having your dog on the patio is at your own risk, and Boston's will not assume any responsibility for your dog, or other dogs actions or behaviors.
